FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2313 - SB 2276

March 6, 2009

SUMMARY OF BILL: Authorizes the Department of Safety (DOS), when a commissioned member of the Department is killed in the line of duty, to present the member's service weapon to the member's surviving spouse or children, or, if the member had no spouse or children, to the member's parents.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- According to DOS, there have only been two commissioned members killed in the line of duty over the last five years, and only 38 since the inception of the Department in 1929.
- Given that few commissioned members are killed in the line of duty, any increase of state expenditures for replacing a weapon is considered to be not significant.
